## Missionaries to Papua New Guinea

Dear Praying Brother and Sisters,

April 2015

Thank you so much for your faithful partnership to reach the people of Papua New Guinea. Our visas are scheduled to be approved on April 16<sup>th</sup>, and we are hopeful they will come. Please pray that our visas will be granted to us this time. Once they are approved, we will travel to Washington D.C. to get our visas put into our passports. After we have our visas in hand, we will book our flights for Papua New Guinea. We are eagerly looking forward to flying out soon.

God has surely blessed this past month! One highlight was Leandra seeing a young lady trust Christ as she explained the gospel to her after a Sunday evening service. She simply shared how each one of us is a sinner, but that Jesus Christ died on the cross to pay our sin debt. Christ not only died for our sins, but He also rose from the dead on the third day. The young lady believed on Jesus for the forgiveness of her sins.

Praise God, our container made it safely to Goroka! Bill Smith was a great blessing as he facilitated the arrival of our container. There were different challenges trying to get it through customs and off of the wharf. Several things caused much excitement with the container, especially when it was red lined for inspection. They discovered an "American spider web" which meant our container had to be fumigated. After a few more challenges, we finally got it released and it was trucked up to Goroka.

Thank you so much for your faithful support! We deeply appreciate your sacrifice for the Lord's work. God has provided through you in ways we never could have imagined. Each and every one of our needs have been met.

We are faithfully praying for you. We cannot wait to send our next update, Lord willing, from Papua New Guinea.

For His Glory,

*Timothy and Leandra Hawes*
